HOW TO: ADD YOUR COMPANY LOGO TO INSPECTION REPORTS

In PDspect you can add your company logo so that it appears at the top of each page of your reports.

1. The first step is to click on the Print Settings icon from the Toolbar.

2. This will bring up the Print Options window. Click on the 'Page Layout' tab.

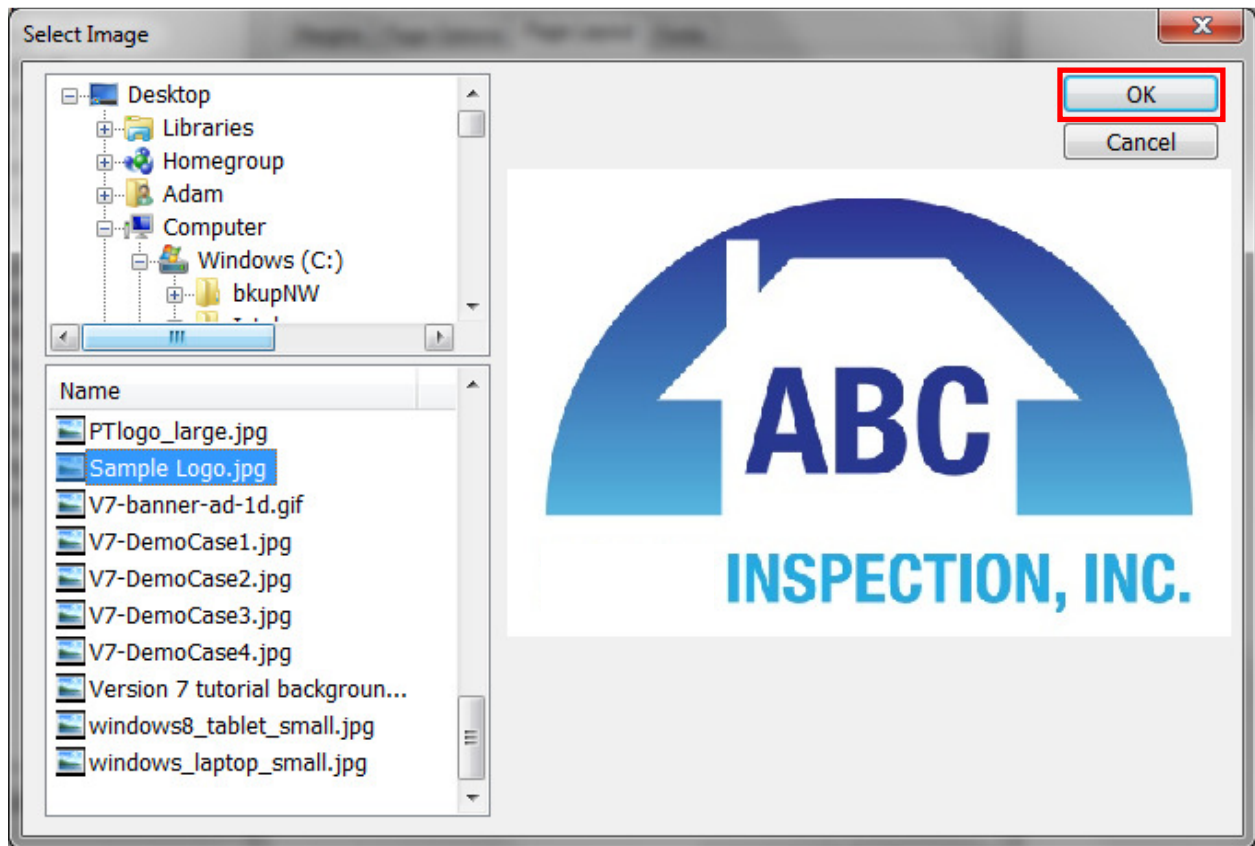

3. On this screen there is an option for Company Logo. To add in your logo click on the button that has the three periods '...' on it.

- You will now be back on the Print Settings screen and your logo will be added in. To adjust where the logo shows up on reports choose a different option from the 'Image Placement' dropdown or click on the 'Custom' button to give a precise measurement for how far down and to the left you want the logo to appear.

- When finished, click on 'OK'.

- You have now added your company logo to each page of the report.
